

Mended Hearts of Waukesha County, Inc. Board Minutes

President Glenn Welnak called board meeting to order at 12 noon on Oct. 8, 2013.

All board members were present.

Treasurer Pete Wilson went over the financial statement of the club.

Secretary Augie Fortmann reported that all the minutes from last month and the board meeting are on line.

The only thing that was brought up was how are we going to get more people interested in the club. Also how many of our present members would be interested in going to talk with people when they are done with REHAB. We will talk more about this at the regulator meeting.

Dues are coming up in December 2013. Please see the treasurer.
