

# The Mended Hearts, Inc.

---

## Lake Country Area

Hi everyone,

Hope everyone is planning on making the March 10th meeting. Our speaker has a lot to live up to compete with the great speakers we have had but wait till you hear him. I have been told he will be outstanding. He is Dr Imad Katib. His specialty is interventional cardiology and has been practicing in this area for 25 years. He is here to talk of his experiences as a patient with heart disease...

If you see this e mail but don't know what Mended Hearts is please stop by Sunday and get to know us. The meeting starts at 6:30 on Sunday night and ends at 8:00PM. We are lucky to have our guest speaker who will start at 6:30. Following him we have a very short business meeting followed by a social time for everyone to get to know each other better. We have free coffee provided by Pro Health and snacks brought in by anyone who is willing to. Jim is looking for volunteers to bring snacks to future meetings so hope we can continue getting two people to volunteer every month.

At our board meeting we will talk about CPR classes. We will be trying to schedule them in April for all who want to attend. Details on Sunday.

The board is still looking for three committee chairman. One to take care of a sign in sheet for treats at the meetings and one for helping with the layout and updates on our web site. The third one is for publicity to help get the word out to the newspapers and other media

Please bring guests. The more members we get the more we can help each other and them. PLEASE REMEMBER THE MEETING IS AT WAUKESHA MEMORIAL IN AUDITORIUM D. Park in the west lot and enter in the west entrance is the shortest walk. There is valet parking available

Glenn
